Bill Chandler is dead "I lis wife succeeded lim as a Justice of the Peace. While endeavoring to locate Margaret, I called upon this woman. to see if she had any records voluch her husband might have kept. She had none "I further had no information concerning Margaret's present whereabouts. However, as I note by the New york Times of this date (sept 22) she took the trouble to inform underwood of my visit to her. I obtained my information from Mrs. Effice Ralph of 286 Commercial avenue. New Brunswick No. J, the mother of Robert Ralph, referred to herein.

Respectfully yours. David Thompson.
